HOLLOW TREES FARM

This mixed family farm is run by third generation farmers, Sally and Robert Bendall, together with a dedicated team of over forty staff. Traditional methods are maintained on this working farm and survive alongside a commitment to environmental schemes that encourage wildlife, flora and fauna.

The farm grows a wide range of vegetables, plants and flowers; rears livestock including cattle, pigs, sheep, chickens and goats. Everything produced is sold through the farm shop and plant centre which was established in 1987. There is also a farm trail that takes you to the livestock barns and fields to see the animals and activities.

In 2007 we had an addition to the sight, Woodlands Coffee Shop, where the emphasis is very much on good home grown ingredients to produce good home cooked food.

The farm has evolved over the years into a popular attraction enjoyed by all ages. Community spirit, education, agricultural understanding and history are important to the farms philosophy. School, playgroup and nursery visits are encouraged and during the summer months the farm plays host to many children's birthday parties, Brownies, Cubs, Guides WIs and adult groups who can all be found visiting Hollow Trees on a summers evening.

The very diverse nature of our business means we are able to tailor the tours and activities to suit each group individually. Our now famous Hollow Trees tractor and trailer 'covered wagon' is a fine, fun, way to tour the farm and growing fields. The trailer has disabled access.

PRICES & OPTIONS

All visits & prices include a tour, talk & trailer ride then a cup of tea/coffee and a biscuit/cake slice which will be prepared by the Woodlands Coffee Shop Team. The cost for this is £5 per head with a minimum charge of £100.

Other refreshment options are available such as a 'Cream Tea' or a 2 course meal and the cost of these is available upon application.

All prices include VAT charged at 20%.
